Virudhunagar

SUMMARY

I am an engineering student with practical experience in Java, Spring Boot, and the MERN stack. I have demonstrated ability in developing scalable full-stack applications and possess fundamental knowledge of AI concepts. I take pride in solving complex coding challenges, having solved over 180 problems on platforms like Leetcode. My aim is to further develop intelligent systems and enhance my skills in software engineering

EXPERIENCE

Adroit Soft India Pvt.Ltd

- Interned on building MCP tool integrations for a hospital management chatbot using RAG architecture, supporting dynamic data retrieval and healthcare workflow automation.

Codsoft

- Worked as a Web Development Intern, building full-stack applications with features such as user authentication, data management, and responsive UI design.

EDUCATION

Bachelor of Engineering (B.E) , Computer Science and Engineering

National Engineering College

2023 - 2027 Kovilpatti,Tamil Nadu CGPA : 7.91

Senior Secondary (XII), Science

Kshatriya Vidhyasala Higher Secondary School

06/2022 - 06/2023 TAMIL NADU STATE BOARD Percentage : 88.67%

SKILLS

Java	SpringBoot	PostgreSQL	Python	C/C++	Node.js	Express.js	React	HTML	CSS	MongoDB
GitHub	Postman	Docker								

PROJECTS

Coding Challenge Platform

A platform for coding challenges and quizzes

- Built a coding platform with Java Servlets and MySQL supporting multi-language execution, quizzes, real-time scoring, and user session management

AI Hospital Management Chatbot

An AI chatbot for managing hospital appointments

- Built an AI-driven Hospital Management System using Ollama with 17+ MCP tools and PostgreSQL for scalable patient and appointment management

Service Provider platform

A full-stack service provider platform

- Developed a MERN stack-based service platform with role-based access control, real-time chat, user authentication, service listing, and booking functionality

KEY ACHIEVEMENTS

Competitive Programming Achievements

Solved 180+ problems on leetcode and secured 1283 Global Rank in SkillRack
